

# Governance Structure

## Governance

- Elected by members;
- Represents members across all divisions and geographic locations;
- Proportional representation of each Division on National Assembly.

## Professional Divisions

- Develop greater focus and agility to identify and respond to issues facing each profession/industry;
- Elected by members.

## Local Co-ordination

- Regional Committees in each State;
- Appointed from Professional Divisions.

## Industry/Workplace Groups

- Work on industry and industrial issues;
- Work at both local and national level.
