

Women in IT scholarship Application form

Applications close 31st May

To apply for the Women in IT scholarship, please complete all three parts of this questionnaire and return to Professionals Australia by 31 May. You can attach a separate sheet to answer Part 2 if needed.

Part 1 – Personal Details

Name:.....

Email address:.....

Preferred postal address:.....

..... State:..... Postcode:.....

Professionals Australia membership number:

Part 2 – Continuing Professional Development – Expected Learning Outcomes

Please answer the following question:

What training do you intend to undertake using the \$500 Women in IT professional development cash incentive?

.....

How do you expect the training will help address some of the barriers to you remaining in IT and/or further advance your IT career?

.....

.....

Part 3 – Authority to include in publication

I confirm that I am female, registered with the IT group and a current financial member of Professionals Australia. I wish to be considered for the IT Upskill scholarship and agree to provide a digital photo of myself, and for my answers to Part 2 to be published on the Professionals Australia and IT websites and in the Professionals Australia magazine.
